HEATH ELEMENTARY

11364 72 AVE, DELTA

Join us at our free parent and child drop-in program!

Parents, families, and caregivers with children from birth to six years can join us once a week at Heath Elementary. Our drop-in sessions are a fun and imaginative way to support your children's early learning and development. We offer story time, play-based experiences, open-ended art/activities, and snacks for the children. The adults can connect with other adults, learn from early years professionals, ask questions, connect to services, and enjoy some refreshments. We are excited to partner with you by fostering meaningful connections with your child, other families, and the community.

Please note:

- Children must be accompanied by a parent, family member, or caregiver for the duration of the session to attend.
