

COMMUNITY RESOURCE APPLICATION

ABOUT THE CONFERENCE

For 30 years, the Children the Heart of the Matter Conference has welcomed over 400 early learning and child care professionals for a weekend of learning. We invite you to apply for a Marketplace table to showcase your products, services, and resources.

New this year: the Friday night session will be virtual only. Participants will attend online, and Marketplace vendors will have the opportunity to share business information and links through the virtual Marketplace, which will remain in the conference portal for the rest of the conference.

On Saturday, the conference will offer the participants the choice of attending in-person or virtually, for a full day of learning and connection.

SUBMISSION AND SELECTION

All submissions will be considered based on the criteria of appropriateness and uniqueness of services or goods. Click [here](#) to submit your application.

Selected community resources receive one 8-foot table with two chairs. Community resource staff are expected to attend their tables for the full day. Due to space limitations we are only able to offer one table per vendor. Saturday morning snacks and lunches can be purchased for \$45.00 per person. Selected community resources are required to provide a door prize donation with a minimum value of \$30.00.

Application deadline is September 19, 2026.

We will notify successful applicants by October 30, 2026 and will provide payment instructions at that time.
